

HONORING THE LIFE AND BRAVERY OF BRIAN WHALEY

A HERO CAN BE FOUND IN EVERYONE.

At 15 years of age, Brian Whaley proved this when he leapt into action to save the lives of his mother, father, and younger brother in the midst of a fire that consumed their house. With the help of Alexandria firefighters, his family was saved. He was just like you, a normal kid, who played on the basketball team and served as student body president at Holy Savior Menard Central High School in Alexandria, Louisiana.

LEADERSHIP. ATHLETICISM. BRAVERY. CHARITY. KINDNESS.

This was how Brian lived his life and would have continued to had he been granted more years to live.

On May 13, 1984, Brian and his best friend and fellow Menard graduate, Lewell Gunn, were killed in a tragic car accident.

But Brian's heroics live on. In honor of the bravery of Brian and members of the Alexandria Fire Department in saving his family, the Brian Whaley Scholarship was created. The scholarship was established to honor his values and life along with all the brave men and women of the Alexandria Fire Department.

The Brian Whaley Scholarship is awarded annually to two graduating seniors or current college students who are the children of a current or former member of the Alexandria, LA, Pineville, LA., Rapides Parish Fire District Number 2, or East Baton Rouge fire departments.
